

Overview

Rongzhi College is a private college jointly hosted by Chongqing Technology and Business University and Chongqing New Open Technology Co., Ltd. Founded in April, 2001, it offers full-time undergraduate-level education. Located in Chongqing, China's largest municipality, Rongzhi College covers a total area of more than 60 acres. The campus, located on Longzhouwan Avenue in Ba'nán District of Chongqing, is characterized by its modern architecture and superior teaching and living facilities, including fabulous teaching building (with well-equipped multimedia classrooms and laboratories), air-conditioned students' dormitories, fully functional gym, library, lecture hall and canteens.

Rongzhi College is famous for its economic, financial and managerial programs, including Finance, Insurance, Credit Management, Economics, Trade Economy, Economic Statistics, Event Management, International Business, International Economy and Trade, Network and New Media, Engineering Management, Development and Management of Real Estates, Property Management, Information Management and Information Systems, City Management, Management of Land Resources, Accounting, Taxation, Auditing, Financial Management, Assets Assessment, Investment, Logistics Management, Logistics Engineering, Industrial Engineering and Electronic Commerce. Finance, Economics, Logistics Management and Accounting have been approved as "Majors of specialties" by the Chongqing municipal government. The Finance Discipline Group, covering Finance, Insurance, Credit Management, Investment and Economics, has been approved as "Discipline Group of Specialties" in Chongqing. Now, the college has firstly set up the ACCA and CFA classes among private colleges in Chongqing.

The employment rate of students from Rongzhi College keeps above 96% in the past few years, higher than those of most colleges and universities in Chongqing. Graduates are spoken highly of by their employers. According to a survey on the employment of graduates in Chongqing conducted by MyCOS, a professional graduates tracking and evaluation organization, graduates from Rongzhi College come out in front in employment competitiveness index, job satisfaction and the basic ability to work at the time of graduation.
